A

A Main Building GUT library

7.00 pm -1.00 am

- Night talks face to face
- The Library of Gdańsk University of Technology will become the venue for night talks! This is the only opportunity to talk to scientists and students from around the world who have found their place at the Gdańsk University of Technology. Why did they choose Gdańsk? What do they love this place for and what do they miss here? Come and learn about the international face of our university. Conversations in Polish, English, Russian, Spanish.

Registration and full list of interlocutors run by librarians.

- Competition for children: Detective Fraction on the track of a missing book
- Café Bibliothèque – an atmospheric evening in the mood of a French café
- Cabinet of polyglots - in GUT library you can find books in many different languages: Dutch, Kashubian, Catalan, Romanian ... Can you recognize them? We invite you to play the polyglot! Maximum number of participants: 30

A
