POLITECHNIKA GDAŃSKA

HR EXCELLENCE IN RESEARCH

COMPETITION FOR A POSITION OF ASSOCIATE PROFESSOR (F/M) IN THE RESEARCH STAFF GROUP

Pursuant to Art. 119(1) of the Act of 20 July 2018, Law on Higher Education and Science

INSTITUTION:	Gdańsk University of Technology
ORGANIZATIONAL UNIT:	Faculty of Applied Physics and Mathematics, Institute of Nanotechnology and Materials Engineering, Division of Electrochemistry and Surface Physical Chemistry
CITY:	Gdańsk
REFERENCE NUMBER:	3686
EMPLOYEES GROUP:	research staff
POSITION:	**Associate professor (f/m)**
NUMBER OF OFFERS AVAILABLE:	1
RESEARCHER PROFILE:	Established Researcher (R3)
SCIENTIFIC / ARTISTIC DISCIPLINE:	materials engineering
POSTED:	22.08.2025
EXPIRES:	21.09.2025
PLANNED DATE OF COMPETITION ENDS:	25.09.2025
PLANNED DATE OF EMPLOYMENT:	01.11.2025

TASKS / ROLE

- leading the development of a dual-mode biosensing platform that integrates optical techniques such as SERS and ATR-SEIRAS with electrochemical methods for real-time biological sample analysis
- implementing advanced spectroscopic techniques
- coordinating machine learning-based data analysis, and supervising students involved in electrochemical experimentation
- submission of manuscripts from the project results and seeking additional funding to expand the capabilities of the team

REQUIREMENTS

- PhD or higher degree in the field of physics or materials engineering

- extensive expertise in optics and photonics, particularly SERS and ATR-SEIRAS, with demonstrated application in biosensing
- experience in building optical systems and implementing interferometric techniques
- knowledge of machine learning techniques for data analysis
- proven scientific track record and experience in interdisciplinary research
- English at a communicative level, assessed based on an interview
- outstanding, documented international research experience (based on completed research internships, implemented research projects, awards received and other research results)

ADDITIONAL REQUIREMENTS

- hands-on experience with nanoscale materials
- proven track record of success in securing research funding
- intercommunication skills
- work experience in English-speaking environments

BENEFITS

- work for one of the leading technical universities in Poland
- academic organisational culture based on the principles of respect
- stable employment conditions
- additional annual salary
- opportunity to relax at Gdańsk Tech's Resort, located in the picturesque Kaszuby Lake District
- trips abroad within the Erasmus+ program
- internal trainings
- access to the university library
- option to join: employee group life insurance, private medical care, sports and recreation program (Benefit MultiSport card)
- sports activities at Gdańsk Tech's facilities
- on campus there are: kindergarten, baby changing and feeding stations, refreshment kiosks, relaxation areas and free parking lot
- holiday subsidies
- preferential loans
- work in a well-connected place
- and much more... For a full list of benefits visit: https://chr.pg.edu.pl/en/join-us

REQUIRED DOCUMENTS

- CV, including information about education, previous academic employment and participation i research projects
- copy of the PhD diploma confirming the award of the doctoral degree
- motivation letter with brief description of research interests and their connection to the project topics
- list of scientific publications
- a statement that in the event of employment, the Gdańsk University of Technology will be the primary place of work within the meaning of the Law on Higher Education and Science
- a declaration that in the event of employment, a statement will be submitted to the Gdańsk University of Technology on inclusion in the number N
- a personal questionnaire (download: https://chr.pg.edu.pl/en/join-us/documents-candidate)

PLACE AND FORM OF THE OFFERS

- By e-mail to the address: prac-konkursy.wftims@o365.pg.edu.pl
- In the title of e-mail, please enter: Associate profesor in Nobelium project, reference number 08/WFTiMS/2025

ELIGIBILITY CRITERIA

The eligibility criteria will relate to the requirements of a given competition and will concern a qualitative and quantitative assessment of the candidate's qualifications, competences, experience and achievements.

ADDITIONAL INFORMATION

- The competiton can be finalized without selection of the candidate.
- Winning the competition does not mean that the candidate will be employed. The final decision on employment is made by the rector.

- One can report any special needs related to the recruitment process (interview), resulting from disability, by sending such information to the e-mail address provided in the advertisement.
- Documents for the candidate.

E-mail address: prac-konkursy.wftims@o365.pg.edu.pl

Note
If you provide data other than: first name(s), surname, date of birth, contact details, education, professional qualifications, previous employment history please include the following clause:

I hereby consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purposes of the recruitment process conducted for the position I am applying for.

Information on the principles for the processing the personal data of job applicants:

1. The Data Controller presented in the job offer is Gdańsk University of Technology with its seat at ul. G. Narutowicza 11/12, in Gdańsk (postal code: 80-233).
2. The Data Controller appointed the Data Protection Officer (DPO), who may be contacted via email address: dpo@pg.edu.pl. You may contact the DPO in all matters relating to the processing of your personal data by Gdańsk University of Technology and the exercise of rights in relation to the processing of personal data.
   The DPO, however, does not process other matters, like handling the recruitment procedures, collecting recruitment documents, providing information on current recruitment process.
3. Your personal data shall be processed in the scope as provided for in the Labor Code , i.e. given name (names) and family name, date of birth, contact information, education, professional qualifications, previous employment history, for the purposes of this recruitment process (pursuant to Article. 6(1)(c) of GDPR*), whereas other data shall be processed based on your consent (pursuant to Article 6(1)(a) of GDPR*), as follows:
   I consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purpose of therecruitment process conducted for the position I am applying for.
4. Your personal data will be stored for a period of 6 months counting from the completion of the recruitment process for the position advertised and, in the case of successful start of employment, until the termination of the employment relationship, and will then be archived and kept for a period of 10 years.
5. The provided data will not be made available to third parties. The recipients of the data will only be institutions authorized by law.
6. Under the terms of the GDPR*, you have the right:

   a. to access the content of your data,
   b. to rectify the personal data when they are inconsistent with the reality,
   c. to delete, limit the processing, as well as data transfer, pursuant to applicable regulations,
   d. to object to the processing of your data,
   e. to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, if you consider that the processing of your personal data violates the provisions on the personal data protection,
   f. to withdraw your consent at any time (if expressed, without affecting the lawfulness of processing carried out on the basis of the consent before its withdrawal).

7. The personal data provided by you will not be subject to profiling.
8. Providing your personal data to the extent resulting from Art. 22^1 of the Labor Code is obligatory to participate in the recruitment process for the position you applying for. Providing other data by you is voluntary.

*GDPR - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
