**Of Economic Convention by the Rector of Gdańsk University of Technology
of 11 September 2020**

§ 1. The Economic Convention by the Rector of Gdańsk University of Technology accepts with great appreciation the decision of the Senate of the Republic of Poland of 10 September 2020 to submit to the Lower House of the Parliament of the Republic of Poland the draft Act on the metropolitan union in the Pomeranian Voivodeship adopted by the Senate. The previous, long-term activities of the association 'Gdańsk - Gdynia - Sopot Metropolitan Area' have proved the purposefulness and legitimacy of the formal, statutory definition of the principles and procedure for creating and functioning of the metropolitan union in the Pomeranian Voivodeship.

The activities undertaken by the Association focused on extremely significant problems of social and economic life of the inhabitants of the Pomeranian Voivodeship, including: integration activities for sustainable development, supervision of joint, integrated investments, including those implemented under the Regional Operational Program, integration of information and promotional activities, synchronization of civic budgets, building a strong metropolitan labor market and joint public procurement. The Economic Convention by the Rector of Gdańsk University of Technology appeals to the Lower House of the Parliament of the Republic of Poland to quickly consider the motion of the Senate of the Republic of Poland and to adopt the Act on the metropolitan union in the Pomeranian Voivodeship.
