

## **Voting protocol of the elections to the University Doctoral Student Council**

Voting for the University Doctoral Student Council election was held on October 26, 2021 from 09:00 to 23:59 in a remote voting format.

### Constituency No. 1 (Doctoral Studies at the Faculty of Architecture)

There were two seats to be vacated.

No candidate applied.

Due to the lack of candidates, no voting was conducted.

Two seats remain vacant.

### Constituency No. 2 (Doctoral Studies of the Faculty of Chemistry)

There were five seats to be vacated.

The following candidates were nominated for the UDSC:

1. Małgorzata Rudnicka

2. Jan Alfuth

3. Karol Biernacki

Number of doctoral students eligible to vote: 83

Number of doctoral students participating in the vote: 15

Number of votes given: 33, including 33 valid votes

Number of votes given for individual candidates:

1. Jan Alfuth: 13

2. Karol Biernacki: 11

3. Małgorzata Rudnicka: 9

The following candidates were elected to the University Doctoral Student Council:

1. Jan Alfuth

2. Karol Biernacki

3. Małgorzata Rudnicka

Two seats remain vacant.

### Constituency No. 3 (Doctoral Studies of the Faculty of Electronics, Telecommunications and Informatics)

There were three seats to be vacated.

The following candidate was nominated for the UDSC:

1. Szymon Zaporowski

Number of doctoral students eligible to vote: 46

Number of PhD students participating in the vote: 17

Number of votes given: 17, including 17 valid votes

Number of votes given for the candidate:

1. Szymon Zaporowski: 10

The candidate elected to the University Doctoral Student Council is:

1. Szymon Zaporowski

Two seats remain vacant.

Constituency number 4 (Doctoral Studies of the Faculty of Electrical Engineering and Automation)

There was one seat to be vacated.

The following candidate was nominated for the UDSC:

1. Szymon Potrykus

Number of doctoral students eligible to vote: 15

Number of doctoral students participating in the vote: 8

Number of votes given: 8, including 8 valid votes

Number of votes given for individual candidates:

1. Szymon Potrykus: 8

The following candidates were elected to the University Council of Doctoral Students:

1. Szymon Potrykus

All the seats were filled.

Constituency No. 5 (Doctoral Studies of the Faculty of Technical Physics and Applied Mathematics)

There was one seat to be filled.

No candidate applied.

Due to the lack of candidates, no voting was conducted.

One seat remains vacant.

Constituency No. 6 (Doctoral Studies of the Faculty of Civil and Environmental Engineering)

There were two seats to be vacated.

No candidate applied.

Due to the lack of candidates, no voting was conducted.

Two seats remain vacant.

Constituency No. 7 (Doctoral Studies of the Faculty of Mechanical Engineering and Shipbuilding)

There were two seats to be vacated.

The following candidates were nominated for the UDSC:

1. Magda Dziaduszevska

2. Marcin Wekwejt

Number of doctoral students eligible to vote: 37

Number of doctoral students participating in the vote: 16

Number of votes given: 26, including 26 valid votes

Number of votes given for individual candidates:

1. Magda Dziaduszevska: 14

2. Marcin Wekwejt: 12

The following candidates were elected to the Doctoral Student Council:

1. Magda Dziaduszevska

2. Marcin Wekwejt

All seats were filled.

Constituency No. 8 (Doctoral Studies at the Faculty of Management and Economics)

There were three seats to be vacated.

No candidate applied.

Due to the lack of candidates, no voting was conducted.

Three seats remain vacant.

Constituency No. 9 (Implementation Doctoral School at the Gdansk University of Technology)

There were four seats to be vacated.

The following candidate was nominated for the UDSC:

1. Konrad Seklecki

Number of doctoral students eligible to vote: 66

Number of PhD students participating in the vote: 11

Number of votes given: 11, including 11 valid votes

Number of votes given for the candidate:

1. Konrad Seklecki: 3

The following candidates were elected to the University Council of Doctoral Students:

1. Konrad Seklecki

Three seats remain vacant.

Constituency No. 10 (Doctoral School Disciplines: Management and Quality Sciences; Economics and Finance; Mathematics; and Physical Sciences)

There were two seats to be vacated.

The following candidates were nominated for the UDSC:

1. Helena Anacka
2. Katarzyna Wiciak-Pawłowska
3. Michał Piłat

Number of doctoral students eligible to vote: 23

Number of doctoral students participating in the vote: 8

Number of votes given: 12, including 12 valid votes

Number of votes given for individual candidates:

1. Helena Anacka: 5
2. Katarzyna Wiciak-Pawłowska: 4
3. Michał Piłat: 3

The following candidates were elected to the Doctoral Student Council:

1. Helena Anacka
2. Katarzyna Wiciak-Pawłowska

All seats were filled.

Constituency No. 11 (Doctoral School, Discipline: Chemical Sciences)

There were three seats to be vacated.

The following candidates were nominated for the UDSC:

1. Ewelina Pawelczyk
2. Joanna Niesiobędzka
3. Szymon Kalisz
4. Olga Ciupak
5. Alicja Trocka

Number of doctoral students eligible to vote: 66

Number of doctoral students participating in the vote: 21

Number of votes given: 42, including 42 valid votes

Number of votes given to each candidate:

1. Szymon Kalisz: 13
2. Olga Ciupak: 9
3. Ewelina Pawelczyk: 8
4. Joanna Niesiobędzka: 6
5. Alicja Trocka: 6

The following candidates were elected to the Doctoral Student Council:

1. Szymon Kalisz
2. Olga Ciupak
3. Ewelina Pawelczyk

All seats were filled.

#### Constituency No. 12 (Doctoral School Discipline: Civil Engineering and Transportation)

There were two seats to be vacated.

The following candidate was nominated for the UDSC:

1. Ginneth Millan Ramirez

Number of PhD students eligible to vote: 28

Number of PhD students participating in the vote: 9

Number of votes given: 9, including 9 valid votes

Number of votes given to the candidate:

1. Ginneth Millan Ramirez: 7

The following candidate was elected to the Doctoral Student Council:

1. Ginneth Millan Ramirez

One seat remains vacant.

#### Constituency No. 13 (Doctoral School Discipline: Mechanical Engineering)

There were two seats to be vacated.

No candidate applied.

Due to the lack of candidates, no voting was conducted.

Two seats remain vacant

#### Constituency No. 14 (Doctoral School Discipline: Architecture and Urban Planning)

There was one seat to be vacated.

The following candidate was nominated for the UDSC:

1. Paulina Duch-Żebrowska

Number of doctoral students eligible to vote: 15

Number of PhD students participating in the vote: 6

Number of votes given: 6, including 6 valid votes

Number of votes given for the candidate:

1. Paulina Duch-Żebrowska: 6

The following candidate was elected to the Doctoral Student Council:

1. Paulina Duch-Żebrowska

All the seats were filled

Constituency No. 15 (Doctoral School Discipline: Automation, Electronics and Electrical Engineering)

There were two seats to be vacated.

The following candidates were nominated for the UDSC:

1. Zuzanna Klawikowska
2. Tomasz Ujazdowski
3. Ullah Kifayat
4. Maria Ferlin
5. Maciej Jasiński

Number of doctoral students eligible to vote: 37

Number of doctoral students participating in the vote: 17

Number of votes given: 27, including 27 valid votes

Number of votes given to individual candidates:

1. Maciej Jasiński: 13
2. Maria Ferlin: 6
3. Zuzanna Klawikowska: 4
4. Tomasz Ujazdowski: 4
5. Ullah Kifayat: 0

The following candidates were elected to the University Doctoral Council:

1. Maciej Jasiński: 13
2. Maria Ferlin: 6

All seats were filled

Constituency No. 16 (Doctoral School Discipline: Materials Engineering)

There was one seat to be vacated.

The following candidate was nominated for the UDSC:

1. Adam Olszewski

Number of doctoral students eligible to vote: 20

Number of PhD students participating in the vote: 9

Number of votes given: 9, including 9 valid votes

Number of votes given for the candidate:

1. Adam Olszewski: 5

The following candidate was elected to the Doctoral Student Council:

1. Adam Olszewski

All the seats were filled

Constituency No. 17 (Doctoral School Disciplines: Engineering Computer Science and Telecommunications, and Environmental, Mining and Energy Engineering)

There were two seats to be vacated.

The following candidate was nominated for the UDSC:

1. Hira Manzoor

Number of PhD students eligible to vote: 22

Number of PhD students participating in voting: 10

Number of votes given: 10, including 10 valid votes

Number of votes given for the candidate:

1. Hira Manzoor: 5

The following candidate was elected to the Doctoral Student Council:

1. Hira Manzoor

One seat remains vacant

The Audit and Election Committee:

MSc, Eng Jeremiah Otieno

MSc Helena Anacka

MSc, Eng Anita Cymann-Sachajdak
