

REGULATIONS FOR AWARDING HONORARY CERTIFICATE FOR DISTINCTIVE ACHIEVEMENTS IN STUDIES

to undergraduate and postgraduate students of the Faculty of Electronics, Telecommunications and Informatics of Gdańsk University of Technology

§1

Introduction

1. The aim of awarding the certificate is promotion of students who consider achieving distinctive results in studies to be their main goal.
2. The Certificate is a form of distinguishing for diligence, acquiring extraordinary knowledge and abilities.

§2

General rules

1. These regulations define the criteria and rules for awarding the certificate.
2. Each of the issued certificates is registered and has a unique number. Template of the register is presented in Appendix 1.
3. The Certificate is prepared in two languages: Polish and English. Template of the certificate is presented in Appendix 2.
4. The original Certificate is handed to the student, while its copy is included in the student's file in the ETI GUT Dean's Office.

§3

Certificate awarding criteria

1. The Certificate can be awarded to a student who completed a subject on the first scheduled exam date with a top grade at first approach and fulfilled at least two of the following criteria:
 - a) has documented knowledge and abilities in the subject, that exceed obligatory curriculum,
 - b) published an article in a scientific journal or in the scientific conference materials,
 - c) took active part in a research project in the field related to the subject's curriculum,
 - d) took active part in promotion of the subject's curriculum presenting on a seminar or scientific national or international conference,
 - e) deepens subject's topic within the scientific students association framework,
 - f) took active part in promotion of the subject's curriculum conducting classes,
 - g) has other distinctive achievements.

§4

Certificate awarding rules

1. Application form for the Certificate (Appendix 3) should be submitted to the ETI GUT Dean's Office no later than one month after the end of the semester during which the student completed the subject.
2. The Dean decides on awarding a student with the Certificate on the basis of the submitted application.

§5

Final provisions

1. Decision on awarding or refusal of the Certificate is final and no appeal is possible.
