

## **Prof Elgin Kiliç**

Faculty of Applied Physics and Mathematics invites all Students, Staff and Guests to the classes run by Prof Elgin Kiliç from the Department of Mathematics of Ege University, Izmir, Turkey. Prof Kiliç is visiting us within the frame of the Erasmus+ programme.

### Computer laboratories:

#### **1) Basic Programming in C**

Wednesday 03.04.19, 13:00-15:00 and 15:00-17:00, room 3/08, Nanotechnology Centre

### seminars:

#### **1) Vulnerability Measures and Concepts in Graph Theory**

Thursday 04.04.19, 14:15-16:00, Room 418, B Building

#### **2) Domination Integrity and Domination Edge Integrity Concepts in Graph Theory**

Friday 05.04.19, 14:15-16:00, Room 121, Main Building
